# FOREWORD

By Niel Ungerer  
Managing Director and Owner - Nu-Pro Group

NIEL UNGERER

The Nu-Pro Group was established in June 2004. The first company in the group was established as Nu-Pro Commodities (Pty) Ltd. Meanwhile the group of companies have expanded with a logistics division, animal feed plant and a Shell Lubricant Agency that distributes Shell products in the Free State as well as North and Western KZN.

As a Company we were blessed over the years and we are able to look back over 15 years and say to each other that this journey would not have been possible without being blessed by our Heavenly Father.

It is with this in mind that the Nu-Pro Group has decided to work with abused and underprivileged children, to take hands with Bethlehem Child and Family Welfare Organization for the next five years 2019 - 2024.

We have decided to make this a five year project where we have one big co-operative event a year where we will ask our suppliers and clients to participate in this out of the ordinary event to bring some hope in under privileged children's life's.

The funds will be managed by our independent auditors namely Enslins Inc. in Bethlehem. This is our way of giving back some of our privileges and blessings that we have enjoyed over the past 15 years. This event will also commemorate our 15th birthday.

Please feel at heart to share this event with us and be part of some smiles to underprivileged children.

Regards  
Niel Ungerer
